Wesley Memorial United Methodist Church  
High Point, North Carolina

Volume 24 No. 3

April 2016

Healthcare is an integral part of life. From birth or bruises, to live-saving operations and healing medications, modern medicine is essential to our daily lives and our community of faith. The ministry of Jesus focused on quality of life, healing, and dignity. Too often, we take for granted the ways in which our healthcare professionals partner with Jesus to offer healing and peace to our bodies and our souls. Their work is not simply a job. It's a vocation of healing, one through which they dedicate themselves in service to others.

In July 2015, Brenda Bradner, Barbara & Paul Coughlin, Keelah Voll, and Jared Stine participated in Duke Divinity School's "Reimagining Health Collaborative." This conference was an opportunity for congregations to faithfully address the intersection of culture, medicine, church, and theology. This small team, together with Wesley Memorial's Congregational Care Team, recognized the abundance of healthcare professionals in our church. How might we partner with clinicians and trained professionals to increase the healing ministries of Jesus Christ at work in our lives?

On April 3 all healthcare professionals at Wesley Memorial and in High Point are invited to participate in a Sunday worship service of appreciation. Vocations in healthcare require gifts, talent, dedication, and patience. Wesley Memorial would like to honor professionals who use their gifts, in the past or present, to further the healing work of God's kingdom in High Point.

Join us at any worship service for a sacred time of Holy Communion followed by a hand blessing. Each service will include a time of fellowship and refreshment after worship, located in either the Asbury Room (8:30 am Chapel and 11:00 am Sanctuary) or the Lobby (Contemporary Worship). All healthcare professionals will receive a gift to further the work of healing and wholeness in High Point and beyond.

*(See page 6 for an exciting opportunity for those in healthcare.)*

### Mark Bible Study: Starting April 6

In the aftermath of Easter, the resurrection glow still on our faces and chocolate from candy bunnies still on our hands, Wesley Memorial invites you to join us in a Bible study. Wednesday nights from 6:30-7:45 in Conference Room 3, join Rev. Erin Beall for four weeks as we study the Gospel of Mark. Likely the first Gospel written, the shortest, and the most confusing, we will study the depths of this book-its history, its composition, its purpose, and its meaning. No book is required except your Bible. RSVP by calling the Front Desk (336-884-2204) or Erin (336-812-4815).

### Adult Spiritual Formation Team

The Adult Spiritual Formation Team is looking for 2-3 guinea pigs to read through some possible books for our summer church-wide read. If you are interested in reading and offering your feedback on a book, please contact Erin Beall (336-812-4815). Additionally, our next ASFT meeting will be Monday, May 23 at 5:30 pm.

### Spiritual Discipline Study: Beading

Beginning April 13, Miriam Ward will be leading a wonderful study on the spiritual discipline of making and using prayer beads. Wednesday nights from 6:30 to 7:30 pm, join Miriam and other spiritually-minded folks to learn more about this ancient practice and its modern, creative, exciting applications. For more information, contact Erin Beall (336-812-4815).

As summer approaches activities in the music department begin to take on a new emphasis. The **Chancel Choir** will hold a worship service for Pennybyrn on April 17 at 5 pm. Afterwards, choir members will enjoy dinner together at a local restaurant. The annual choir picnic at Harriet Mattes' farm will be sometime in May. The choir will rehearse during the spring and summer months with a few weeks off for vacations, rest and renewal. During the summer we prepare special music for fall and Christmas as well as our Sunday anthems. Summer is a perfect time to join the choir permanently or on a short term basis. We can use your help as our regular members are taking some time off.

Many of our **Choral Scholars** will be leaving us for the summer and some will be graduating and moving on. We appreciate so much their hard work to provide music for the chapel service each week, September-April, and all that they add to 11 am worship.

**Chancel Bells** and the **Wesley Handbell Choir** have suspended rehearsals until fall but the **Handbell Quartet** will rehearse during the summer and hopefully be able to provide music for the chapel services occasionally. **Youth handbells** will resume rehearsals on April 17 to work toward playing for worship on May 22. Thank you to all handbell choirs for all they do to enhance our worship.

**Children's Music** has had a long break but they will begin their last rotation on April 17 at 9:30 am in the Children's Gathering Space. They will be learning music to sing for Mother's Day, May 8. They rehearse each of the four Sundays through May 8 before Sunday School from 9:30-9:45 am.

**Summer Music Camp** is shaping up to be a very exciting four days. We have four components this year: music, art, drama and liturgical dance. Camp will be from June 20-June 23 from 9 am until 12 noon on the elementary hallway. Registration will start sometime in May and we can only accept 60 children, so do not wait to register! There will be lots of singing, instrument playing, acting, drawing, dancing and prizes. On June 23 the children will share what they have learned in a worship service for friends and family in the Dining Hall at 11:30 am.

There is now a **Wesley Memorial Choral Scholar Endowment Fund**. If you would like to participate in ensuring that we always have choral scholars at Wesley Memorial, please contact Anne Carroll or Harriet Mattes for more information.

**Community Garden Expands**

The “garden guys” have added two more planting beds to the community garden at Wesley Memorial. We now have ten planting beds. The spring garden is planted with collards, beets and potatoes. The produce raised in our garden is donated to Our Father’s Table at Open Door Ministries.

**God's Future-ing Church UPDATE**

Wesley Memorial is engaged in a strategic planning process called "God's Future-ing Church." The planning cycle includes 4 smaller cycles: Discerning God's Call, Claiming God's Vision, Planning for God's Future and Celebrating in Faith. Currently, we are in the second phase "Claiming God's Vision."

More than 100 persons participated in our Visioning Weekend (February 26, 27 and 28). The session on Sunday, February 28, did not mark the END of this phase but, instead, marked the beginning. Currently, we (your pastors, administrative staff, and Church Council) are eager to hear from you. Specifically, we are looking for your response to the question: How will Wesley Memorial faithfully CONNECT, GROW and SERVE in 2020?

You may share your answers and offer your input through several channels. First, pick up an Aspiration Card near the Front Desk, in the Narthex, or inside the Contemporary worship space. You may leave a completed card in the baskets provided or you may place them in Scott Howell's mailbox (behind the Front Desk). Second, you may responded on line by going to the following website (a direct link if available on the Wesley Memorial website at [www.wesleymemorial.org](http://www.wesleymemorial.org) :

[https://wesleymemorialHP.formstack.com/forms/aspiration\\_card](https://wesleymemorialHP.formstack.com/forms/aspiration_card)

Third, you may visit our Facebook page "God's Future-ing Church." Finally, you may send an email to Scott Howell at [showell@wesleymemorial.org](mailto:showell@wesleymemorial.org) OR speak with any of our pastors. The method of communication is unimportant-your input, however, is vital as we craft a vision to guide the creation and development of our strategic plan.

Our plan is to share a vision statement "2020 Vision" in late May and early June. Over the summer, June-August we will identify goals, formulate objectives, outline plans of action, and develop budgets that will guide our work into the year 2020 and beyond. For now, however, we are eager to hear from you. So, please take some time to prayerfully reflect on the aspirational question listed above and share your answers with us.

**Columbarium Addition**

The Church Council has approved a recommendation submitted by the Board of Trustees and vetted by the Facilities Team and the Finance Team to build the 3rd wall of the Wesley Memorial Columbarium. The new addition will provide 340 niches to house cremation ashes. Work and construction will begin in May and continue through the summer. Please observe any and all caution signs and restrictive boundaries you may encounter during construction.

Currently, we are authorized to sell up to 68 niches at a special "Construction Price" of \$900 per niche. Once construction is complete, ALL niches will sell for \$1,150 per niche. For more information about purchasing a niche for you, members of your family, or other members of Wesley Memorial UMC, please contact Cindy Dominick at [cdominick@wesleymemorial.org](mailto:cdominick@wesleymemorial.org) OR call her at 336-812-4814.
