TRUCKS, BIKES & MICS

Sunday, August 30 • 3 pm - 7 pm

WESLEY MEMORIAL
A UNITED METHODIST CONGREGATION

www.wesleymemorial.org

We're revving up the year and saying "so long" to summer at a celebration entitled "Trucks, Bikes, and Mics!" Join us August 30 at 3:00 pm for an afternoon filled with delicious food, loads of fun, live music, and an opportunity to feed those in need.

We'll start the afternoon in the Dining Hall and Fellowship Hall with a Stop Hunger Now meal packing event. At the same time, those interested in a social cycling ride around Guilford and Davidson County will meet Carolyn and Don Shaw in the Front Circle.

Once we finish packing meals, everyone will head outside to inflatables, games, and a 'slow bike race' – how slow can you cross the finish line? Bring your bike and face off against your small group, or cheer on your children. Everyone can also participate in our dunk tank; proceeds from dunking Jay and the clergy will go to local hunger projects!

Who doesn't love food trucks? Everyone who attends this celebration will receive five tickets good for \$5 off any food items. We'll have tables and chairs set-up, but bring your lawn chair and enjoy

the afternoon with food and friends.

At 6 pm the Roots Revival Band will take the stage featuring Martha Bassett, Sam Frazier, Pat Lawrence and others. This group leads an eclectic and unique worship service in Winston-Salem. Their style is Americana/Roots/Folk and their music features original pieces, old hymns, The Avett Brothers, Leonard Cohen, Mumford and Sons, Gillian Welch, and more. They write, "Our music defies the sacred-secular dichotomy, inviting us to meet God in unexpected yet familiar places."

Mark your calendars and invite your friends. You won't want to miss this!

Small Group Leader Training

SGLs! Our annual Small Group Leader Training will take place on Wednesday, August 19 from 6-8 pm in the Underground Gathering Area. This is incredibly important, so I strongly encourage you to attend because we'll be discussing some changes coming to the Student Ministries this year.

If you need Safe Sanctuaries certification, I will teach a class from 5-6 pm in the Gathering Area before our meeting.

6th Grade Lock-In

Our annual 6th Grade Lock-In will take place from 6 pm on August 28 until 9 am on August 29. This is a way for our new 6th graders and their families to be introduced and welcomed into the Student Ministries. The event is FREE for our rising 6th graders. We will be heading to Airbound and have ice cream after we get back.

There will be an info meeting for our 6th grade families at 6 pm on the 28th to give you more info about the Student Ministries and what your student can expect in their new environment.

New Series in August: Wired

How many hours are you technologically connected on a normal day? If you were to add up your hours online, your glances at text messages, your streaming music, your perusing social media, your Netflix addiction, how many hours could you count? It's probably a lot. Our culture is obsessed with technology-and with good reason. Technology keeps us

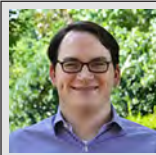

connected to each other and to the world around us. Nearly every device we own transmits signals to something else, somewhere else. Why? Because that's how they're wired to function. Our phones, tablets, smart watches, gaming systems-are wired to connect to something outside them. And the same is true for us. We are wired for connection. It's in our design. As we take a closer look at what Jesus called "the greatest commandment", we discover that we are wired to have three vital relationships: with God, with ourselves, and with others. And when those connections are made, everything else begins to function as it was designed.

School Year Activities begin August 30!

We will come back from summer vacation by kicking off our school year activities on August 30! This means we will be back with our Sunday morning small groups, Sunday night activities and MYF, and Breakfast Club on Thursday mornings.

Student Worship Leaders Needed

High schoolers, if you would like to lead worship on Sunday nights during a student-led worship service this school year, please let Jay know ASAP.

Gilead Dinner

If you've been around at all this summer, you'll know that our summer book has been Marilynne Robinson's *Gilead*, critically acclaimed, Pulitzer Prize winning, and beautifully spiritual. Members from across the congregation are LOVING this book! If you've read the book, the Cliff's Notes, or just heard about it and want to hear more, you are invited to our Gilead discussion dinner on Thursday, August 27 at 6 pm. This meal will feature great food, great discussion, and quite possibly biscuits we can eat (just like John Ames and his father in the book). This night is going to be wonderful. The pastors will share their reflections on the book, take questions, and invite your reflections

Please join us and bring your friends! RSVP to the Front Desk (884-2204) or Erin Beall by August 21 to reserve your seat! The meal is no cost, but donations are welcome.

Fall Teasers

Behind the Scenes of Worship

Do you know the meaning behind the procession of the cross? What about the number of sides on the baptismal font and what the number means? Our Christian tradition has given us a wealth of amazing symbols and practices that we see and do every Sunday. Yet, few of us know what they really mean!

This fall, we will explore some of those "behind the scenes" facts and reflect on how they enrich and engage our worship. Contemporary and traditional worshippers are all welcome! More details forthcoming. Mark your calendars for the afternoon of November 8!

"The Desert Religions: An Exploration of Islam, Judaism and Christianity"

If there's one topic some Christians are worried but unsure how to learn more about, it's Islam. How does Christ want us to interact with our Muslim neighbors, co-workers, and students? What do they believe? Should we be frightened, upset, or angry? And what about the other religion birthed in that same region, Judaism? How ought we to interact with our Jewish sisters and brothers? What do they believe? The Desert Religions, taught by Rev. Erin Beall Wednesday nights at 6:30 (after Wednesday night supper) Circle View Room (3rd floor, Administrative

Building)

RSVP: Reserve your spot in the class by calling or emailing Erin Beall. This class requires no book.

Mickey Efir

We look forward to seeing friend of Wesley Memorial, Dr. Mickey Efir again this fall to share with us a New Testament book study. Mark your calendars for Monday nights at 6:45 pm from September 21-October 12 in the Dining Hall.

Women of Welsey: Now on a New Day!

All Women of Wesley (WOW) are invited to come Tuesday mornings from 9:30-11:30 am beginning September 22 for 9 weeks of Bible Study and fellowship. We will be doing an in depth study of I and II Thessalonians based on Beth Moore's book *Children of the Day*. The book costs \$16 and will be in soon. If you have questions call Susan Meisky (259-5402) or Barbara Coughlin (884-1335).

Music Ministries at Wesley Memorial have hardly slowed down this summer. **The Chancel Choir** is rehearsing all summer but it is not all work and no play. On July 19, twenty-eight of the Chancel Choir and some of their spouses held their first Feast and Fellowship night at Sammy G's in High Point; on July 22 they held their second annual ice cream sundae night after rehearsal. Rehearsals will continue in August with the exception of August 19. On August 26 they will have a covered dish in the fellowship hall to welcome back all Choral Scholars and choir members returning from summer absences.

Looking ahead to September, the Chancel Choir will hold a choir retreat followed by a light lunch on September 19 from 9:30-1 pm, to begin preparing music for special Sundays and Christmas.

We have ten **Choral Scholars** so far for 2015-2016. We are grateful for the donations which enable us to have a scholar or group of scholars sing for the Chapel Service every Sunday starting in September. We will be welcoming eight returning scholars and two new ones this year: Teresa Bonavita, Michaela Kelly, Emily Frye, Elizabeth Church, Taylor Boone, Jesse Herndon, Jacob Cortes, Scott Lee, Brittany Griffin, and Wesley McCleary-Small respectively.

Looking ahead to the fall, **Children's Music** for 2-5 grades will have four "sessions" beginning September 20. They will rehearse for four Sundays in the Children's Gathering Space from 9:30-9:45 am and sing at 11 o'clock on the fourth Sunday of the session. For a detailed schedule contact Anne Carroll.

Youth Handbells did an outstanding job last year. We have added a ringer so we will have 9 ringers next year. They will have their first rehearsal from 5-6 pm on Sunday, September 27. Any youth interested in ringing should contact Anne Carroll.

Adult Handbells will rehearse August 13 to prepare music for the Raleigh Ringers workshop on November 6 and 7. Their first regular rehearsal in the fall will be Thursday, September 10, from 7-8:15 pm. Note the change in rehearsal time.

The Wesley Handbell Choir is the beginning handbell choir for 3-5 graders. The first rehearsal is

Wednesday, September 9 from 4:15-5:00 pm. Keep watching the HeartBeat and the bulletin wrap for information about a **Women's Choir** and **Men's Choir** for fall. If you would like more information or a detailed schedule for any of the above choirs contact Anne Carroll.

Anthem Angels "purchase" anthems in honor or in memory of a friend or loved one. Each time the choir sings your anthem a note is placed in the Sunday bulletin. Interested donors may choose from a list compiled by the Director of Music Ministries. If you would like to be an Anthem Angel contact Anne Carroll.

Jail Ministry

Jesus said that when we visit the inmates in our jails and prisons, we have visited him (Matthew 25:34-40). The Disciple Bible Outreach Ministry (DBOM) has been taking the Disciple Bible Study into the jails, prisons, and youth development centers of our state for 16 years. DBOM has trained and deployed hundreds of volunteers for ministry with the imprisoned. This ministry has been supported by churches like Wesley Memorial from across our Conference. The Conference has designated August 23 as Disciple Bible Outreach Ministry Sunday and authorized a special offering. I hope you will take advantage of this opportunity to be the hands and voice of Christ to those in need.

How Does Our (Community) Garden Grow?

Thus far the 10 garden beds at Wesley Memorial have produced 220 pounds of zucchini, cucumbers, eggplants, green beans and squash – mainly squash. The tomatoes, okra, corn and cantaloupes are just about ready to come in. We have donated this food to Open Door for use at Our Father's Table. The gardeners are already talking about a "second planting" and a fall planting.

Disaster Response Volunteers

Several United Methodist churches in High Point are trying to put together teams of volunteers who might be "on call" to help when a disaster strikes. These volunteers would go into disaster zones several weeks or even months after a disaster to help the victims clean-up and re-build. If you would be interested in knowing more about what might be involved in being a disaster response volunteer, please contact Al Ward (award@wesleymemorial.org, 336-812-4808).

Caring for Children

A great big THANK YOU to everyone who has helped with the summer supplemental feeding program at Fairview Elementary School!! In addition to backpacks, Wesley Memorial provided 300 lunches for the children at Fairview during the weeks that the cafeteria was closed. We also received monetary donations in support of this endeavor.

When schools resumes, Wesley Memorial will continue piggy-backing with the United Way to provide "backpacks" of food for Fairview students on the weekend and holidays. Wesley Memorial's backpacks go home with students on teacher workdays, holidays (Thanksgiving, Christmas, Easter), and snow days. You may bring any of the following items to the collection bins located around our buildings: Individual Pop-top *Spaghetti's*, *Chef Boyardee Spaghetti and Meatballs*, *Ramon Noodles*, *Kraft Mac and Cheese easy cups*.

Please consider volunteering as a tutor, mentor, or breakfast buddy for the students at Fairview. If you are interested in volunteering in one of these capacities, please contact Catherine Niebauer.

Duke Reimagining Health Initiative – Recap

Last month, four members of Wesley Memorial joined Jared Stine to learn more about the relationship between health, wellness, theology, and medicine at a conference held by Duke Divinity School. Brenda Bradner, Keelah Voll, and Barbara & Paul Coughlin discussed topics such as Sabbath, hospice, partnering with clinicians, nutrition, disability, and mental health. The team was inspired by dialogues with professors from Duke Divinity, Duke Medical School, and faculty at Duke Hospital. Duke's Initiative on Theology, Medicine, and Culture invited Wesley Memorial to participate in a on-going collaborative effort focused on these themes as they relate to church and community life. As they begin to discern the need for future projects and ministries in our church and city, keep this team and all our congregational care ministries in your prayers.

Interested in learning more? Contact Jared Stine or Gene Kester for more information.

Admitted to the hospital-call the church!

Whether you have a health emergency or a scheduled surgery, the pastors and staff at Wesley Memorial would love to know if you are admitted to any hospital in our region for any length of time. We make it a point to visit and pray for all those with health related concerns. Feel free to call the church office, or ask your friends and family to call for you. Want to keep it confidential? Not a problem. Just let us know your needs and we'll keep you in our prayers!

FANTASTIC Memories from the Summer of 2015! Summer Enrichment (Nursery and Preschool)

Our younger ones at WMS planted a playground garden, met new animal friends at the live petting zoo (who can ever forget "Gypsy" the Alpaca), enjoyed waterplay frolics in sprinklers & kiddie pools set up around campus. We dressed up as princesses and knights for our Royal Ball ... dancing the morning away to happy music & screen graphics provided by our "DJ" Mr. Keith (Byrd)!

Fun In The Sun Camp (Elementary)

Campers tended their FITS plot in our church outreach garden, participated in Music Camp and VBS weeks, studied the art masterpieces of famous painters, attended summer community theater in HP and Winston Salem - - all the while keeping fit with weekly swims, gymnastics, and playground "Freeze Tag!" Campers also completed a 6-week "God and Family" Bible study; shared their original music show at local senior centers. Did you see us on TV? FITS students starred in a "Deal or Dud" episode filmed for Fox8 News!

HIGH POINT, NC, July 9, 2015, from HPU website – High Point University senior Thomas Lyons is spending this summer and upcoming academic year discerning a call to become an ordained deacon during a full-time ministry internship with the United Methodist Church.

Lyons, a music performance major from Pompton Plains, New Jersey, is serving alongside church leaders at Wesley Memorial United Methodist Church starting this summer. The year-long internship is made possible by a grant from the General Board of Higher Education and Ministry of the United Methodist Church to help young adults explore their calling to ministry.

The internship will immerse Lyons in various aspects of local ministry, including leading prayer and other parts of worship services, attending church leadership planning with pastors and visiting with those who are sick or in the hospital. He will also plan and lead a new ministry opportunity at Wesley Memorial.

Lyons says the experience will help him understand where his call to ministry will lead after graduation from HPU. He plans to continue his education in seminary and looks to become an ordained deacon in the United Methodist Church. He also says he would like to serve others using the skills he's developed as a music major at HPU, possibly leading a civic choir or teaching music to children.

"Coming to the university has helped me grow spiritually as the person I am through music and religion," he says. "Those two fields are my passion, and when I combine the two of them, I know I'm on the right path."

Although his internship started recently, it is already making an impact on him. He attended the annual meeting of the Western North Carolina Conference of the United Methodist Church at Lake Junaluska in June, where he met with alumni and friends of HPU. He is also actively involved in services at Wesley Memorial and shared a special experience he had after leading a prayer.

"After the service ended, a member approached me and asked for a copy of my prayer. The next morning, I received an email from her explaining that the prayer helped her express her heart's desire to stay strong in her faith. She went on to say the words I had used stirred up an awakening in her – something she had been waiting to hear," Lyons says. "I was glad to provide that to her and feel blessed that I will get to share with many others over the course of this year."
